COUNCIL MEETING DATE

SUBJECT: REPORT REGARDING WHEELCHAIR LIFT DIAL-A-RIDE ~~EQUIPMENT~~ FOR CITY OF LODI

PREPARED BY: Assistant City Manager

RECOMMENDED ACTION: The City Council approve the attached revised claim for use of TDA funds to purchase additional equipment for the Dial-A-Ride program and authorize the Purchasing Agent to procure the most appropriate wheelchair equipped vehicle.

BACKGROUND INFORMATION: COG has determined the City of Lodi has an unmet transit need - a wheelchair equipped vehicle. Patrons using the Dial-A-Ride program are experiencing delays longer than should be necessary. This condition can partially be solved by adding additional vehicles. By purchasing a vehicle with a wheelchair lift both objectives can be achieved - the handicapped can be served and an additional vehicle can be added to the fleet.

We can fund this vehicle using TDA funds; however, we must submit a revised claim. There will be unexpended budgeted funds for 1988-89, plus approximately \$40,000 of additional unanticipated funds which will be available at year's end. The revised claim is for \$40,000 of which \$5,305 is for the cost of vehicles purchased this year over what was budgeted. The remainder is to be used to purchase a wheelchair equipped van, a radio, and the necessary work to place the vehicle in service. Any unexpended funds will be available for Dial-A-Ride activities next year. Therefore, there is no downside in over appropriating funds.

City staff, City Cab Company staff and COG staff are working together to determine the most cost effective equipment available. Council is requested to authorize the Purchasing Agent to purchase a new or used vehicle with a wheelchair lift that will allow the City to meet its unmet transit need and to carry additional patrons.

Respectfully submitted,

Jerry L. Glenn
Assistant City Manager
